PHARMACARE NEWSLETTER

New Low Cost Alternative/ Reference Drug Program Booklet

Effective October 15, 2002

The new Low Cost Alternative/Reference Drug Program booklet, effective **October 15, 2002**, is now available.

The booklet is being distributed through the Pharmacare Web site in Adobe Acrobat (printable) format.

Most Internet users will already have Adobe Acrobat software installed but, if necessary, it is available (free of charge) via links provided on the Pharmacare Web site.

To view or print a copy of the booklet, visit:
